  - Western Ontario Athletic Association, hereafter WOAA
  - Lower Lakes Female Hockey League, hereafter LLFHL
  - Ontario Minor Hockey Association, hereafter OMHA
  - Ontario Women's Hockey Association, hereafter OWHA
  - Ontario Hockey Federation, hereafter OHF
  - Hockey Canada, hereafter HC

### **1.2 Implementing Rules Of Operation**

- (a) Between Annual General Meetings (AGM) the MFMHA Board of Directors reserves the right to implement an operating rule or regulation as deemed necessary to facilitate hockey operations. The rule or regulation must be approved by a majority vote of the current Board of Directors before being implemented. After implementation, this rule or regulation will then be brought to the first AGM, after Board of Directors approval for ratification by a 2/3 majority vote of the members present at that AGM.

The rule or regulation will be added to the applicable governing document (Constitution or Rules of Operation) as moved at the AGM.

## **2.0 Conduct, Discipline and Complaints against the Association**

### **2.1 Membership Conduct**

- (a) All members of the MFMHA are expected to conduct themselves in such a manner as to respect the rights of all individuals and property, which they come in contact with during the course of the season.
- (b) The MFMHA reserves the right to reject membership in such cases where a previous record of behavior unbecoming of a member of the MFMHA has been evident.

### **2.2 Code of Conduct**

- (a) This Code of Conduct identifies the standard of behavior which is expected of all MFMHA members and participants, which for the purpose of this policy shall include all players, guardians, parents, coaches, officials, volunteers, directors, officers, committee members, conveners, team managers, trainers,

administrators and employees involved in MFMHA activities and events. MFMHA is committed to providing an environment in which all individuals are treated with respect. Members and participants of MFMHA shall conduct themselves in a manner consistent with the values of MFMHA, which include fairness, integrity and mutual respect. During the course of all MFMHA activities and events, members shall avoid behavior which brings MFMHA or the sport of hockey itself into disrepute, including but not limited to abusive use of alcohol, use of non-medical drugs and use of alcohol by minors. MFMHA members and participants shall at all times adhere to MFMHA's operational policies and procedures, to rules and regulations governing MFMHA events and activities, and to rules and regulations governing any competitions in which the member participates on behalf of MFMHA. Members of MFMHA shall refrain from comments or behaviors, which are disrespectful, offensive, abusive, racist or sexist. In particular, behavior which constitutes harassment or abuse will not be tolerated and will be dealt with under OMHA/OWHA's Harassment policy.

Failure to comply with this Code of Conduct may result in disciplinary action in accordance with the Discipline Policy of MFMHA. Such action may result in the member losing the privileges which come with membership in MFMHA, including the opportunity to participate in MFMHA activities and events, both present and future.

- (b) As members of the MFMHA, all members will follow the code of conduct. Members under the jurisdiction of the OMHA will follow the code of conduct as outlined in the current revision of the OMHA Manual of Operations. Members under the jurisdiction of the OWHA will follow the code of conduct as outlined in the current revision of the OWHA Constitution, Bylaws and Regulations.

## 2.3 Additional Codes of Conduct

### (a) Coaches and Team Officials Code

I will be reasonable when scheduling games and practices, remembering that players have other interests and obligations.

I will teach my players to play fairly and to respect the rules, officials and opponents.

I will ensure that all players get equal instruction, support and playing time.

I will not ridicule or yell at my players for making mistakes or performing poorly.

I will remember that players play to have fun and must be encouraged to have confidence in themselves.

I will make sure that equipment and facilities are safe and match the players' ages and abilities.

I will remember that players need a coach they can respect. I will be generous with praise and set a good example.

I will obtain proper training and continue to upgrade my coaching skills.

I will work in cooperation with officials for the benefit of the game.

### (b) Parents Code

I will not force my child to participate in hockey.

I will remember that my child plays hockey for his or her enjoyment, not for mine.

I will encourage my child to play by the rules and to resolve conflicts without resorting to hostility or violence.

I will teach my child that doing one's best is as important as winning so that my child will never feel defeated by the outcome of a game.

I will make my child feel like a winner every time by offering praise for competing fairly and trying hard.

I will never ridicule or yell at my child for making a mistake or losing a game.

I will remember that children learn best by example. I will applaud good plays/performance by both my child's team and their opponents.

I will never question the officials' judgment or honesty in public.

I will support all efforts to remove verbal and physical abuse from children's hockey games.

I will respect and show appreciation for the volunteer coaches who give their time to coach hockey for my child.

### (c) Players Code

I will play hockey because I want to, not just because others or coaches want me to.

I will play by the rules of hockey, and in the spirit of the game.

I will control my temper – fighting and "mouthing off" can spoil the activity for everybody.

I will respect my opponents.

I will do my best to be a true team player.

I will remember that winning isn't everything – that having fun, improving skills, making friends and doing my best are also important.

I will acknowledge all good plays/performances - those of my team and of my opponents.  
I will remember that coaches and officials are there to help me. I will accept their decisions and show them respect.

(d) Spectators Code

I will remember that participants play hockey for their enjoyment. They are not playing to entertain me.  
I will not have unrealistic expectations. I will remember that players are not professionals and cannot be judged by professional standards.

I will respect the officials' decisions and I will encourage participants to do the same.

I will never ridicule a player for making a mistake during a game. I will give positive comments that motivate and encourage continued effort.

I will condemn the use of violence in any form and will express my disapproval in an appropriate manner to coaches and league officials.

I will show respect for my team's opponents, because without them there would be no game.

I will not use bad language, nor will I harass players, coaches, officials or other spectators.

2.4 Discipline following Violations of the Code of Conduct

- (b) To qualify as an underage player, the player must possess exceptional skills, must excel at his/her position (meaning superior skills), and must be a top 3 player (in ability) and or a goalie superior to others, on the team in which they are trying out for.
- (c) A player may try out for the rep team of his/her own age group in addition to the rep team above his/her age group. If a player tries out for 2 teams then that player will be required to pay two tryout fees.
- (c) Players wishing to tryout with the age group above, must be evaluated by the Development Committee. Should any members of the committee have a child with association to the team holding tryouts, they shall be replaced by a member of the board for that specific evaluation.

#### 5.2 Movement of Players

**Deadline for approval will be November 30<sup>th</sup> of each year.**

### 5.3 Affiliation

#### Preamble:

Affiliation is the process whereby teams “call up” players from an OMHA approved list to play in games or practices to support the operation of that particular team.

Coaches, players and parents must understand that the whole affiliation process is necessary in order to run an efficient hockey program. With this in mind, all persons involved must remain flexible and try to look at the big picture rather than their particular situation only. Affiliates should not take ice time from roster players.

Prior to participating in any games or practices affiliated players must first be approved and appear on the affiliated teams roster. It is the responsibility of the coach of the team offering affiliation to ensure that the **Offer of Affiliation Form** is filled out in its entirety and forwarded on to the President for required approval and processing.

The following rules have been put in place in order to protect the Association’s best interests. Where a concern is raised as to the interpretation of a particular statement, the responsibility for resolution rests with the Board of Directors, the President shall resolve any conflict.

- (a) MFMHA teams shall affiliate as per OMHA regulation 7.0 with the following additions:
- (b) U9 aged players will no longer be allowed to affiliate to U11 from a U9 roster, due to the Hockey Canada formatting.
- (c) In order to protect the Association’s best interests, each team is required to initially limit the number of affiliates to a maximum of one goalie, two defensemen and three forwards. After the Board of Directors reviews the affiliate lists, further players can be added if the coach so desires. This will allow every team a fair chance at getting affiliates capable of playing at their level. MFMHA encourages coaches to not use the same affiliated player on every occasion. However, the use of affiliated players needs to be commensurate with their ability to play at the higher level. As such, affiliated players will not necessarily receive equal playing time at the higher level. Under no circumstance are affiliated players to be used at the expense of regular players on the team. Affiliate players may play regular shifts but must not take ice time from regular team members.
- (d) Where horizontal affiliation (i.e. within the same age group) is available, it has priority over vertical affiliation (i.e. from a younger age group to an older one). Where horizontal affiliation is not available an attempt to resolve a conflict will be made by the two coaches. If the coaches cannot resolve the issue, the Coaches Committee, in consultation with the President, will make a ruling and document the reasoning to the coaches.
- (e) For games, teams will only be allowed to bring up affiliate players to match the number of players listed on their OMHA approved roster sheet. If a team wants to go above their rostered level of players using affiliate players, then approval of the respective Board of Directors is required. This will be decided on a case-by-case basis depending on the circumstances involved. The specific exception to this rule will be in dealing with goalies where all will require much more flexibility involved.
- (f) An affiliate player may miss a practice with his base team, when the higher categorized team has less than the OMHA approved roster number of players available for the requested game. This should be done on a case-by-case basis and will require the approval of the Coaches Committee and the coach of his/her team.
- (g) For a game or practice, affiliation of players to a higher series requires the approval from the parents of the affiliated player. Consent from a member of Team Management (Head Coach, Assistant Coach, Trainer or Manager) of the team that the player is carded to must be received by the coach requesting use of the

affiliate player. The player's Team Management has no right of refusal except under the following circumstances:

I. There is a conflict between game times. Conflict occurs when there is less than 3 hours between the end of a game of the higher categorized team and the start of a game involving the lower categorized team. The lower categorized coach may waive this time period if he so desires.

A conflict does not exist when:

--the higher categorized team plays or practices after the lower categorized team plays or practices or

--the lower categorized team practices after the higher categorized team plays or practices

II. By virtue of game locations and the travel involved, there is a reasonable doubt that the affiliated player would be able to make it to a game with his base team. In cases of dispute between the two coaches, the final decision rests with the President.

III. The player is under suspension. OMHA Reg. 8.0 will then apply.

- (h) The Board of Directors reserves the right to rule on any of the above guidelines. If any coach does not agree with the decisions of the Development Committee he/she has the right to consult with the President whose decision will be final.

#### 5.4 General Rules for all MFMHA Teams

- (c) The affected team will not be allowed to operate below this minimum roster without approval of the majority of the Board of Directors.
- (d) Before tryouts, an updated registration list consisting of players wanting to try out for Rep teams will be given to each Rep. Coach for the division they are coaching. - (e) Coaches will ensure all players who are trying out on this list are contacted and informed of the dates and times of tryouts.
- (f) A minimum of 2 practice/skill sessions and a minimum of 2 tryouts is required to be held before any player cuts are made. (2 tryouts are tryouts that are scheduled, not 2 tryouts the player shows up for). U11 and below require a minimum of 4 practice/skill sessions prior to evaluations and a minimum of 3 formal evaluations, in accordance with the Hockey Canada Pathways.
- (g) Players must sign an OMHA registration card before participating in any tournaments.
- (h) No player shall be signed after February 10<sup>th</sup>
